Have you say

The NGOs play a big role in empowering young people, men and women, they make them aware of taking part in political life and help young people to regain confidence in political parties so that they could contribute to the development of the society moreover the NGOs help promote.

The educational potentials besides they make young people understanding that the participation in the political life such as the collection is a national dirty more than that they offer stimulating fulfilling and challenging opportunities. to conclude the NGOs exist legally for different objectives it's sustainable development conscious.
