4- Fill in the blanks with words from the table above

The United Nations (UN) was established in the 40s to maintain international peace and security.

According to its campaigns, member states are supposed to refrain from the use of force against other member states. This document also calls on countries to settle founded disputes by peaceful means. That is to say, international discords should be solved by headquarters and negotiations. Any net work of this principle can result in severe economic and political donations the UN has a lobbying in the Hague (Holland) whose function is to look into conflicts between countries.

Have you say:

Think the media is the most influential medium because it informs people both audio and visual such as TV, websites...
